‘Okay I’m sorry but I don’t want to have a meal. I want to talk and find out a bit more about you and ideally have sex. Or maybe not full sex but – I need to be home by 11 p.m.’

Dating again after a complex break-up, Jessie is trying to get her personal life in order – before her kids wake up.

From actress, comedian, writer and doodler Jessie Cave, *Sunrise* is an honest, tender-hearted and uproariously funny story about crying in the woods, sexual accidents, Harry Potter conventions and Instagram espionage – but also about motherhood and trying to get stuff done.

This published edition also includes dozens of full-colour, never-before-seen doodles by Jessie. She’s very happy to (over)share it with you.

Sunrise was performed as a critically acclaimed live show at Soho Theatre, London, the Edinburgh Festival Fringe, and on tour around the UK, and was produced by Soho Theatre.

‘Devastatingly honest, wickedly funny... *Sunrise* pitches us right into Cave’s life, and her head’ *Guardian*

‘Unstoppably amusing as well as compellingly complex... this is comic storytelling of the highest order’ *The Times*

Jessie's doodles about love and her depiction of motherhood have a cult following on Instagram. Her doodles and comedy were featured in Dictionary Corner on *8 Out of 10 Cats Does Countdown*. Her first book of doodles, *Love Sick*, was published by Penguin Random House in 2015.

Her solo comedy shows have been critically acclaimed and have had sell-out runs in Edinburgh and Soho Theatre.

Further praise for *Sunrise*

'An exquisite show from one of the more creative minds in comedy today ... It is painfully funny, hilariously sad and makes oversharing a thing of comic genius. There is no corner of Jessie's life into which her blindingly honest comic light does not shine' **Scotsman**

'Not everyone can make heartbreak this entertaining... it's the little details that make this so special – revealing all the things she's secretly thinking, while we either empathise or wince in recognition. So open, so honest, so inspirational' **ThreeWeeks**

'Emotional, occasionally filthy, and frequently very funny... it adds up to a rich tapestry which, while laying Cave bare, also has much to say about the double bind of being a modern woman – from balancing career and being a role model with having children, to dating, rejection and abuse. It's all done with the lightest of touches and enormous charm, and it confirms Cave as one of comedy's most compellingly unique voices' **i**
